

FINTECH GENERATIONS™ INSURTECH

PRODUCED BY

PRESS KIT

JUNE 2025 | CHARLOTTE, NC

OUR MISSION

The Fintech + Insurtech Generations Conference is dedicated to advancing the future of financial and insurance technology by bringing together industry leaders, innovators, and disruptors to share their insights, experiences, and visions for the future. Through engaging discussions, and networking opportunities, our mission is to inspire and empower attendees to drive positive change, embrace new technologies, and shape the evolution of the industry.

2024 THEME

MISSION: POSSIBLE

Fintech & Insurtech Generations 2025: Mission Possible, Operation Innovation brings together the most brilliant minds, visionary leaders, and cutting-edge companies from the realms of financial technology and insurance for an event like no other. This year's conference is all about embracing the power of collaboration to shape the future of these dynamic industries, with a special focus on innovation and limitless possibilities.

PROGRAMMING

Key Note Sessions learn from industry leaders and experts on the latest trends, innovations, and best practices, as well as insights into the future of the industry.

Innovation Talks bring together experts from different areas of the industry to discuss pressing issues, challenges, and opportunities.

Workshops give attendees the chance to dive deep into specific topics through hands-on and interactive sessions.
